I, Daniel Blake: Thursday 19th October, 5.15pm.

Described as 'blunt, dignified and brutally moving' by The Guardian, I, Daniel Blake tells the story of a man who has worked all his life, but now due to poor health needs help from the welfare system that he has paid into his whole working life. The film highlights the struggles of real people in the welfare system, and the lengths they will go to survive. We will be screening the film at 5.45pm (refreshments from 5.15pm) on Thursday 19 October free of charge. If you would like to bring food donations on the evening, these will be split between Leeds Foodbank and St George's Crypt in Leeds, to help those who are struggling and in need of our help. If you would like to book a free ticket, please visit: www.idanielblakefree.eventbrite.co.uk

Turn again, O God of hosts!

Look down from heaven, and see;

have regard for this vine,

the stock that your right hand planted,

and for the son whom you made strong for yourself.

They have burned it with fire; they have cut it down;

may they perish at the rebuke of your face!

But let your hand be on the man of your right hand,

the son of man whom you have made strong for yourself!

Then we shall not turn back from you;

give us life, and we will call upon your name!

Restore us, O LORD God of hosts!

Let your face shine, that we may be saved!
