Leeds Trinity University Car Parking Policy - Academic Year 2020/21

For the purpose of this policy, the below procedures will be in operation from Monday 14 September until Wednesday 23 December 2020, when it will then be re-visited and evaluated to meet the Covid-19 guidelines at the time.

Our Approach
The provision of car parking is an integral element of our Integrated Travel Plan and Environment Policy. Leeds Trinity University will, insofar as resources permit, provide car parking spaces for staff, students and visitors where practically possible, whilst also encouraging the use of public transport and providing a free shuttle bus and electric car charging points to all University staff and students. Those who live close to campus will also be encouraged to walk or cycle to the University.

Availability
Whilst there are parking spaces available across the majority of the academic year, there are times when there is considerably more demand on the University’s car parking space than there are spaces available. Reductions in parking space availability may arise in order to accommodate University recruitment activities (e.g open days), key events (e.g graduation ceremonies) and/or estate development/maintenance projects.

The University has, therefore, introduced the measures outlined below to manage the use of car parking.

Parking is available at several locations on the campus (see Appendix 1): (however please note in red, current spaces available. These are reduced due to Covid-19 alterations on campus and ensuring social distancing.

- Main Car Park - 74 (63) spaces; (Pay and Display or Visitors permit),
- Sports and existing Tennis Court – 207 spaces (incl. two DDA bays); (Pay and Display or Visitors permit),
- Westgate and all rear car parks – 156 (148) spaces (incl. six DDA bays); (Staff Permit Use Only),
- Reserved Area – 23 spaces (Bookings and short stay only) (incl. three DDA bays),
- Trinity Close – 15 spaces (incl. four DDA bays); (Pay and Display, Staff Permit Use or Sports Degree permits) and
- Yarnbury Rugby Club – 150 spaces (Yarnbury or Staff Permit Use Only).

There will be no parking except in individually marked parking bays and you must ensure that your parking permit, blue badge, pay and display ticket or visitors permits are clearly displayed. You must reverse park where possible to ensure social distancing measures are met and wear a mask/face covering when entering campus and follow any one way distancing measures in place.
Parking Permits
Staff permits are required to park a motor vehicle (other than a motor-cycle parked in the Cycle Bays) in Westgate/Any rear car park on campus for the hours of duty Monday to Friday 8.30am – 4.30pm.

Staff permits can be purchased by emailing travel@leedstrinity.ac.uk and requesting an application form. This permit can be used at Westgate/any rear car park or Yarnbury as an overflow. Existing staff permits are useable, staff only need to apply if they do not have a permit.

Please inform travel@leedstrinity.ac.uk of any changes to your registration details.

Non-Residential Student Yarnbury permits can be purchased via the online store and are charged at £60 per term or £100 per year. This permit allows parking at Yarnbury Rugby Club ONLY. Residents students are not authorised to purchase a Yarnbury permit. You must reverse park where possible to ensure social distancing measures are met and wear a mask/face covering when entering campus and follow any one way distancing measures in place.

Resident Mentors are permitted to purchase a Main Car Park permit at a cost of £36.00 per year. For more information please contact travel@leedstrinity.ac.uk.

Please note that permits do not guarantee a parking space on campus.

Parking restrictions apply on campus, at all halls, and in surrounding local roads. There is the facility to utilise the pay and display should you wish, however, as a resident student it is advised that you do not bring your car to campus. The University provides a free shuttle bus that covers drop of and pick up points for Horsforth Train Station, local supermarket, doctors, dentists and other local amenities that will support your residency on campus.

Frequently asked questions are answered in Appendix 3.
